***It is the customer's sole responsibility to ensure the backflow assembly is in satisfactory operating condition at all times. Testing must be performed by a City of Henderson (City) authorized test company listed above. You may wish to compare several testers on the list, as their services and prices may vary. The City of Henderson is not responsible for and does not guarantee workmanship of these companies. The customer is responsible to oversee that the selected test company submits the test reports to the City to avoid a fine and/or further enforcement action for late or missing test reports.**
