Debra March Mayor Dan K. Shaw Councilman Ward II

Robert A. Murnane City Manager

Richard A. Derrick Assistant City Manager & Chief Financial Officer

Bristol S. Ellington Assistant City Manager

**Gregory W. Blackburn** Assistant City Manager

#### Overview

Presented herewith is the Budget in Summary for Fiscal Year 2018. This document was prepared in conformance with Chapter 354 of the Nevada Revised Statutes. It presents, in laymen's terms, the City's Final Budget for the Fiscal Year ending June 30, 2018 (as adopted by Council on May 16, 2017). This presentation is intended to provide the citizens of Henderson, and other interested parties, a better understanding of the financial workings of our City. The charts and tables contained herein provide the reader with an at-a-glance overview of the City's budget, as well as a comparison of our City to other municipalities in Southern Nevada.

It is important for citizens and taxpayers to know and understand the composition of the revenue received by the City, as well as how the City manages those resources. We take our fiscal responsibility seriously and understand fully that we are accountable to the residents of our great city. We will continue to strive to provide the services our community desires in an efficient manner while maximizing the use of the resources available.

We hope that you find this document useful and would appreciate any feedback on its content, as well as suggestions for inclusion, in future years. If you have any questions, or would like additional information, please contact us at your convenience.

- 1

# The Strategic Plan is available on the City's website or by contacting the City Manager's Office.

Strategic planning is the cornerstone of effective public management. The City first began its performance planning efforts in 1999. Building upon these efforts, the 2014-2019 Strategic Plan enables the City to continue moving forward in a strategic direction while focusing on new opportunities Henderson faces as a result of changing economic and financial circumstances.

The plan identifies six priorities adopted by the City Council. Some priorities remain the same, but others represent new areas of focus. Progress will be measured in each of these priorities over the next five years.

#### Infrastructure

#### Invest in the community's infrastructure

A properly funded infrastructure management and reinvestment program is essential to the long-term financial health of the City. Quality infrastructure such as roads, parks, trails and City facilities are a key factor in maintaining the quality of life for current and future residents. Offering the same standards of City infrastructure to future generations as is provided today will take innovative planning and focus on ensuring the effectiveness of all resources devoted to rehabilitation and replacement of City assets.

## **Financial Stability**

#### Ensure long-term financial resiliency

The City of Henderson continues to deal with the effects of the national economic crisis that began in 2008. The State of Nevada was hit particularly hard by the collapse of the real estate market. The City's revenue structure, in particular property tax, saw sharp declines in 2008 that are still being felt today. The City's objective is to recover from the current period of fiscal stress and to implement policies and practices that will help it become more adaptable to changing financial conditions so that it can withstand economic downturns in the future.

2

### **Maturing Neighborhoods**

# Revitalize historic neighborhoods, and strengthen economic and community development

People are attracted to Henderson because of the great quality of life it provides. Residents value its urban centers and suburban neighborhoods as indicated by high citizen survey results. A premier park system and diverse opportunities for recreation and the arts are essential components of our quality of life.

### **Community Safety**

#### Provide quality public safety services and programs

A critical function of the City of Henderson is to ensure the safety and security of its citizens. The City is dedicated to allocating resources to providing facilities and programs to ensure that it is a national leader in developing the techniques and capacity to respond to emergencies of all kinds.

## Public Service Excellence

#### Deliver effective and efficient services to the community

The citizens of Henderson benefit when the City is run efficiently, promotes policies and practices that enhance sound financial management and is focused on providing high quality services and programs. In Fiscal Year 2012, the City established the Henderson Management Initiative to demonstrate a commitment to public service excellence.

### **Environmental Resources**

#### Provide solutions to environmental issues affecting the community

Our community's demand for natural resources continues to increase. The City must continue its proactive approach to managing these resources in order to ensure their availability for the future. This requires continued coordination with other governmental entities in the area.

The City's financial plan is developed in alignment with projected available resources and is presented by function within each fund. Fiscal Year 2018 total budgeted revenue and other financing sources for all funds, excluding transfers in, is \$519.5 million. Budgeted expenditures excluding transfers out is \$542.0 million. The budgeted ending balances for all Governmental Funds, including the General Fund, total \$120.4 million, consisting primarily of resources dedicated to ongoing capital projects and reserves. The Fiscal Year 2018 budget is balanced, prudent and responsive to community needs.

The Redevelopment Agency is a component of the City of Henderson. The total budgeted revenue for Fiscal Year 2018 is \$11.4 million, with \$16.0 million in expenditures. The fund balance at the end of Fiscal Year 2018 is estimated to be \$24.2 million.

The General Fund is the largest fund and includes the budget necessary to provide most of the core services and day-to-day activities. General Fund revenues are projected to be \$253.5 million, a 3.8 percent increase over budgeted Fiscal Year 2017. Total General Fund expenditures excluding transfers out are expected to be \$252.5 million, a 3.5 percent increase over budgeted Fiscal Year 2017. Approximately 58 percent of the General Fund expenditures support public safety for our community.

The General Fund Ending Fund Balance is projected to be \$22.0 million, or 8.7 percent of the General Fund's budgeted revenue.

The City has 21 active Governmental Funds excluding the General Fund. Governmental Funds account for proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. For Fiscal Year 2018, revenue and other financing sources are projected at \$58.2 million and total expenditures and other uses are projected at \$68.1 million. The total budgeted ending balances for these funds is \$98.4 million.

The budget also contains 12 Proprietary Funds with estimated revenues and other sources of \$215.5 million and expenditures and other uses of \$228.1 million. These funds are used to account for services provided to internal departments on a cost-reimbursement basis or operations that are financed and operated in a manner similar to private business enterprises.

The adopted full-time positions for Fiscal Year 2018 total 2,096. This represents a net increase of 58 positions over the Fiscal Year 2017 staff complement. The budget includes the addition of 19 General Fund positions, including 17 in Public Safety. In the Proprietary Funds, the Utility Service Fund is adding five positions and the DSC Fund is adding nine positions to keep up with continuing growth in the community. The New Crime Prevention Act of 2016 fund added 26 new Police positions.

Despite the recession, Henderson's financial condition continues to remain stable as a result of a diverse tax base and strong financial management practices. The City of Henderson continues to maintain a low employee-toresident ratio at 6.5 employees per 1,000 residents

The City is highly reliant on consolidated tax, which consists of liquor taxes, cigarette taxes, the Government Services tax, the Real Property Transfer tax, the Basic City County Relief tax (BCCRT), and the Supplemental City County Relief tax (SCCRT). The BCCRT and SCCRT are strictly sales tax based, and generally make up in excess of 85 percent of consolidated tax. Compiled at the state level, these funds are then distributed to municipalities according to a formula outlined in NRS 360. Because consolidated tax is so closely tied to sales tax, economic indicators which affect sales tax, such as visitor volume, can have a critical impact on the City. After experiencing a period of stagnation, visitor volume in the Las Vegas valley reached the highest level it has ever been, a record high of 42.97 million visitors for the year ending January 2017. Visitor spending also reached the highest level it has ever been with spending exceeding \$35.5 billion in 2016. Convention growth has exceeded expectations and hotel room occupancy rates are reaching capacity on both midweek and weekend levels.

The City has continued to see growth in both assessed valuation and population and anticipates moderate revenue growth in the coming year. Demand for City services continues to increase as construction continues throughout the City. While the impacts are unknown, we anticipate further growth in Henderson as a result of the stadium construction on the Las Vegas Strip that will house the NFL Raiders Team for the 2020 season.

As municipal stewards, it is essential that the City adhere to policies proven to protect its financial integrity regardless of the effects of outside forces and economic conditions.

- City of Henderson, Nevada -

# Value-driven City initiatives which contributed to the development of the Fiscal Year 2017-2018 Budget:

- Maintain the City of Henderson property tax at the same low rate
- Provide efficient public services while maintaining one of the lowest employee-to-citizen ratios in the Las Vegas Valley
- Includes staffing and operating costs for new Inspirada Fire Station
- 26 additional police officers through the Crime Prevention Act of 2016

#### The City is continuing to look for ways to reduce expenses.

Continuous monitoring of economic conditions allows the City to make necessary adjustments while remaining dedicated to providing the quality services and programs citizens need.

– City of Henderson, Nevada -

The budget process has been refined to complement the resources available to the City and provide an environment conducive to the development and preservation of a healthy budget. This process is designed to link funding decisions to high priority goals identified by citizens, Mayor and Council, and City management.

The budget process will continue to be modified to be more responsive to citizens' needs, and as required due to the economy, technology and legislation. Changes will be made accordingly to increase expediency and enhance efficiency for everyone involved in the process. It is hoped that change will stimulate innovation and creativity from all departments.

The City's budget is developed over a nine-month period beginning in October with the Performance Budget calendar development, and ending in June with submission to the Nevada Department of Taxation.

**Henderson Statistics** 

Incorporated in 1953, the City of Henderson received its charter in 1965 from the Nevada State Legislature. The City Charter established a council/manager form of government, in which the Mayor and Council are vested with the legislative power of the City and the City Manager is responsible for executive duties and administration of the City.

The Mayor and four City Council members are elected at large on a nonpartisan basis, although no two council members can be from the same ward of the City's four wards. The City Council appoints a City Manager, City Attorney and City Clerk, who report directly to the City Council. All City department heads, including the Police Chief and the Fire Chief, are hired by the City Manager.

 AA+

#### **Overview of Debt Financing Principles**

Rapid growth challenges a local government's ability to meet the service demands of residents. There is a lag time between growth and the corresponding increases in revenue collected from taxes, fees, etc. Capital projects, therefore, must be financed in order to keep up with needed community services in a timely manner. Financing capital projects also allows the cost to be more evenly distributed over the lifetime of the project.

Outstanding Debt Obligations					
	Original Amount	Outstanding Balance 7/1/17			
Debt Service Fund	\$ 129,480,000	\$ 106,053,000			
Water Enterprise Fund	40,094,000	8,952,861			
Sewer Enterprise Fund	104,980,396	91,761,376			
Total	\$ 274,554,396	\$ 206,767,237			

# Key Fact

The City of Henderson continues to have one of the highest bond ratings of any city in the State of Nevada

City of Henderson, Nevada ·

City of Henderson, Nevada

**Fund Accounting** - The accounts of the City are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of balanced accounts that contain the assets, liabilities, fund equity, revenues and expenditures (or expenses). The various funds are grouped into six fund types and two categories as delineated below.

#### **GOVERNMENTAL FUNDS**

**General Fund** - The General Fund is the general operating fund of the City and is used to account for all financial resources except those required to be accounted for in another fund.

**Special Revenue Funds** - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than special assessments or major capital projects) and are legally restricted to expenditures for specified purposes.

Gas Tax Fund Forfeited Assets Fund Municipal Court Administrative Fee Fund Grants Fund Eldorado Valley Fund Financial Stabilization Fund Sales and Use Tax Fund Crime Prevention Act of 2016 Fund Commissary Fund

**Debt Service Funds** - Debt Service Funds are used to account for the accumulation of resources for, and the payment of, general long-term debt principal, interest, and related costs.

#### General Obligation Debt Fund Operating Debt Fund

**Capital Projects Funds** - Capital Projects Funds account for financial resources to be used for the acquisition or construction of major capital facilities other than those financed by proprietary funds and trust funds.

Special Recreation Fund Flood Control Fund Capital Replacement Fund Lake Las Vegas Fund Park Development Fund Special Assessment Districts Fund RTC/County Fund Special Ad Valorem Transportation Fund Land Sales Fund Municipal Facilities Acquisition and Construction Fund

City of Henderson, Nevada

#### **PROPRIETARY FUNDS**

**Internal Service Funds** - Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the City on a cost-reimbursement basis.

City Shop Fund Citywide Fund Engineering Fund Self-Insurance Fund Health Insurance Fund Workers Compensation Fund LID (Local Improvement District) Revolving Fund

**Enterprise Funds** - Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs (expenses including depreciation) of providing goods and services to the general public on a continuing basis be financed and recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expense incurred, and/ or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Cultural Arts and Tourism Fund Sewer Fund Water Fund Development Services Center Fund Municipal Golf Course Fund

**Redevelopment** - The Redevelopment Agency is a component of the City. The Agency uses tax increment financing funds to construct public improvements, acquire blighted property, relocate businesses, clean neighborhoods and public right-of-way, ease dilapidated buildings, and assist with the construction of large-scale commercial developments and affordable housing.

City of Henderson, Nevada

28

#### Ad Valorem Taxes - Property taxes.

**Bond** - A written promise to pay a specified sum of money at a fixed time in the future, and carrying interest at a fixed rate, usually payable periodically.

**COLA** - Cost of living adjustment.

**Consolidated Tax** - Compilation of sales, cigarette, liquor, personal property transfer, basic city county relief tax (BCCRT), supplemental city county relief tax (SCCRT), government services tax and motor vehicle privilege tax revenues that are distributed by the state.

**Debt Service** - The amount of interest and principal that the City must pay each year on net direct long-term debt plus the interest it must pay on direct short-term debt.

**Fiscal Year** - A 12-month period designated as the operating year for accounting and budgeting purposes in an organization; the City has a fiscal year from July 1 through the following June 30.

**Fund Balance** - The excess of the assets of a fund over its liabilities, reserves and carryover.

**General Obligation Bond** - Bonds that finance a variety of public projects such as streets, buildings and improvements; the repayment of these bonds is usually made from the debt portion of property taxes, and these bonds are backed by the full faith and credit of the issuing government.

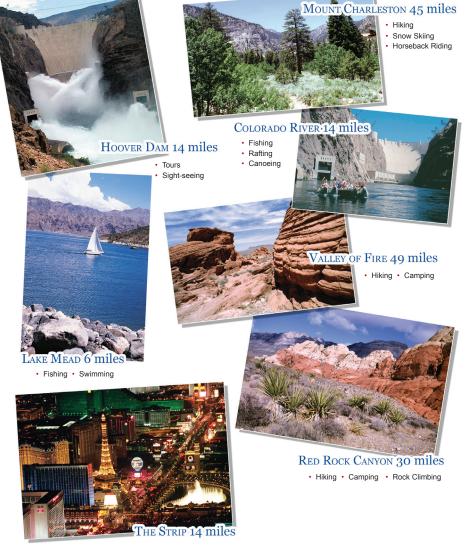

**Intergovernmental Resources** - Funds received from federal, state and other local government sources in the form of grants, shared revenues and payments in lieu of taxes.

**Operating Transfers In/Out** - Amounts transferred from one fund to another to assist in financing the services of the recipient fund.

**Resources** - Total amounts available for appropriation including projected revenues, fund transfers, bond proceeds and beginning fund balances.

**Revenue-Supported Bonds** - Bonds usually sold for constructing a project that will produce revenue for the government; that revenue is pledged to pay the principal and interest of the bond.
