November 22, 2005

FEE PAYMENT OPTIONS

Effective January 1, 2006, Fire Safety will accept payment of all permit and overtime fees at the time you pick up your permit. *

To pay when picking up your permit, please notify the permit technicians of your intent so it can be noted on your application.

Q Does this mean that I can only pay at permit issuance?

A No. You may continue to pay your fees when you drop off your plans.

Q Why would I want to pay when I pick up my permit instead of when I drop off my plans?

A You may want to pay when you pick up the permit if you have overtime fees due. This will allow you to bring in one check that includes both the OT fees and the permit fees.

*** NOTE:** This will allow us to ensure that the device/head counts are accurate; hence that your fees are accurate.
