Revised 6Oct2011

ANNOUNCING
REVISED FIRE ALARM
PRODUCT SUBMITTAL
REQUIREMENTS!

EFFECTIVE IMMEDIATELY! Only one (1) product data submittal is required with each permit submittal. This submittal will be archived with the permit application as part of the permanent record.

Product data submittals consist of a cover sheet listing products used by make and model number, followed by manufacturer data sheets. List information for all equipment, devices, materials, wire and cable used.

Please refer to the attached fire code section **2009 IFC 907.1.2** for other submittal requirements including: wet signature; license class; license limit; and more.
