LEAGUE OVERVIEW

The City of Henderson Adult Basketball league strives to promote sportsmanship, competition, community involvement, and health and fitness in a recreational setting. This document serves to help guide the league to meet these goals and should not be used to gain a competitive advantage. This is a non-contact league; however, accidental contact may occur and penalties for contact may be assessed at the referee's discretion. Contact does not automatically mean a penalty.

The City of Henderson reserves the right to modify any rule that it deems fit to better enhance the quality of the program at any point before, during or after the season.

ELIGIBILITY & ROSTER

1. All eligibility questions arising that are not specifically addressed in these rules shall be decided by the Recreation program coordinator.
2. Men's and women's league rosters are limited to 12 active players. Players must participate in at least one regular season game to be eligible for the playoffs.
3. Rosters must be submitted at the gym prior to the first game. Failure to have a roster on record by the deadline results in a forfeit.
4. Only managers are allowed to make changes to the team roster. All changes must be made at the gym, no exceptions. All roster changes must be approved by the league coordinator or on-site staff.
5. Any player who does not personally sign the roster will be declared an illegal player. All games in which this player participated may be forfeited.
6. Players may not play on more than one team or change teams during the season. If this occurs, those games will be forfeited.
7. Any player whose eligibility is challenged during the game must be able to produce positive picture ID on the spot. If they are unable to do so, the game will be forfeited.
8. Players participating in the City of Henderson's basketball program must reach their 16th birthday before participating.
 - a. All players under the age of 18 must have a waiver signed by their parent/legal guardian before participating.
 - b. All players must have a form of legal identification (driver's license/military ID) in their possession at all league games.
9. Game play is 5 on 5. Teams can start a game with four players and it will be considered an official game. A team with no more than four players will result in a forfeit.

10. Players must sign with their legal names on the score sheet and roster, nicknames may not be used.

RULES & REGULATIONS

1. The league is governed by the National Federation of State High School Associations' basketball rules, with supplements provided by the City of Henderson Public Works, Parks and Recreation Department.
2. The collegiate 3-point line is in use where applicable.
3. Two 20-minute running halves. Clock will stop in the following situations:
 - The last minute of the first half.
 - The last two minutes of the second half, only if the losing team is within nine points.
4. In all leagues: Seven team fouls to 1 and 1 bonus. Ten team fouls to double bonus. Fouls do not reset in overtime.
5. Jump ball at the start of each game and overtime period.
6. Three minutes will be allowed between halves.
7. Overtime: If the score is tied at the end of regulation, a three-minute overtime period will be in effect. The third overtime period becomes sudden death. The official's whistle stops the clock in all overtime periods. Each team is allotted one timeout per overtime period.
8. Foul shots: Players may enter the lane upon release of the ball from the free-throw line. Up to four defensive players are allowed in the box regardless of the number of offensive players.
