Residential Fire Sprinkler Supplemental Sheet

Permit Type	Is this a – <input type="checkbox"/> New Installation <input type="checkbox"/> Modification to an Existing System			
	Circle the applicable NFPA standard <div style="display: flex; justify-content: space-around;"> 13D Enhanced 13D Enhanced 13R Modified 13 </div>			
Permit Questions	How many hydraulic calculations are included?			
	If this is a new system – How many sprinkler heads?			
	If this is a modification to an existing system - How many sprinkler heads?			
	Is this a multi-purpose “network” piping system (e.g. WIRSBO)?			<input type="checkbox"/> Yes <input type="checkbox"/> No
	If this a production home – How many heads are there?			

Attach this sheet to your permit application so the permit fees can be determined.

Note: For Production homes there should be a Fire Standard Plan Set for the development.
