

## **CITY OF HENDERSON**

Public Works Survey/Right of Way P.O. Box 95050, MSC 131 Henderson, NV 89009-5050

## FINISHED FLOOR ELEVATION CERTIFICATE

Instructions: To be completed by a Nevada-registered Land Surveyor or Civil Engineer after the slab is poured and before any additional inspections. Full elevation is required (i.e. 2045.8 not 45.8). Note: The City of Henderson Bench Mark and Datum shown on the approved plans should be used for the actual elevation. If not available, explain below.
