The City of Henderson's youth basketball leagues are designed to guide each participant through an organized program and to develop the fundamental skills of basketball, while emphasizing fun and sportsmanship.

- Practice days, times and locations are at the volunteer coach's discretion
- At the league's discretion, games are held on weeknights and select Saturdays. This is a citywide program and game locations will be decided based on the age division and gym availability. One or more Henderson recreation centers may be used. Travel flexibility should be considered before registering.
- U10-19 player requests will not be honored; within these age divisions teams are formed exclusively through the City's player rating system. If a rate-up is requested, the child must attend player ratings. Rating up does not guarantee placement in the league. Placement is based on skill level and roster availability.
- Teams are formed according to the player rating system
- Youth sports league timelines are subject to change based on registration demand and volunteer coach recruitment.
- Program capacity is limited due to program resources, please register early. Late registration is not guaranteed. If your child is enrolled from the waitlist, the late registration fee will apply. Fees are not based on the waitlist enrollment date.
