fence to the top of the fence. Retaining walls are measured as indicated on the approved detail	
READ AND SIGN: I have indicated all natural and manmade watercourses as well as any private and/or public drainage easements that may be impacted by the proposed retaining wall, block wall, fence, or other structure. I understand and agree that should the City of Henderson determine that this retaining wall, block wall, fence or other structure is detrimental to the safe and legal flow of any watercourse, this permit will be rendered invalid immediately. I further agree that if I fail to adhere to the above requirements, the retaining wall, block wall, fence or other structure may be abated, removed, or altered at my expense.
