Second Program Year Action Plan

The CPMP Second Annual Action Plan includes the [SF 424](#) and Narrative Responses to Action Plan questions that CDBG, HOME, HOPWA, and ESG grantees must respond to each year in order to be compliant with the Consolidated Planning Regulations.

Narrative Responses

GENERAL

Executive Summary

The Executive Summary is required. Include the objectives and outcomes identified in the plan and an evaluation of past performance.

The purpose of this Second Annual Action Plan is to provide a summary of how the City of Henderson intends on using Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) funds received from the U.S. Department of Housing and Urban Development (HUD). This Action Plan also outlines the City's plans for an additional \$1.3 million from other funding sources that can be used to support the CDBG and HOME objectives. The funding from these programs allows the City to provide decent housing, promote suitable living environments, and create economic opportunities for low- and moderate-income people. This Action Plan details the activities planned for housing and community development during the fiscal year starting July 1, 2011 through June 30, 2012.

The City of Henderson seeks to achieve the following objectives & outcomes:

- ❖ *Decent Housing*
 - Increase the number of affordable housing units
 - Assist first-time homebuyers with buying a home
 - Assist low-income homeowners with home repairs
 - Provide funding for energy efficiency improvements for low-income households
 - Assist homeless individuals and families transition to stable housing
- ❖ *Suitable Living Environments*
 - Provide funding for transportation services to seniors and disabled individuals
 - Provide funding for safety and livability improvements in the Trailer Estates neighborhood
 - Provide funding for an after-school program for students living in public housing
 - Provide funding to improve services of disabled children
 - Provide funding for an emergency assistance program that offers nutritional services
 - Provide funding for services to prevent homelessness
 - Evaluate and remove lead-hazards from homes

Past performance accomplishments include:

- ❖ *Decent Housing*
 - 60 affordable housing units were constructed to assist low-income residents
 - 2687 individuals were able to transition from homelessness to stable housing, including victims of domestic violence
 - 3 first-time homebuyers were assisted in purchasing homes
 - 15 low-income homeowners were assisted with home repairs, which allowed them to remain in their homes and reduce housing expenses
 - 261 households were assisted with energy efficiency in their home
- ❖ *Suitable Living Environment*
 - 150 households received emergency housing and utility assistance to help them remain in their existing housing
 - 10,000 food boxes were provided to low-income households
 - 12 visually impaired individuals were assisted to improve access to services
 - 4000 rides were made available to senior citizens to help them maintain their independence
 - 5 homes were evaluated for lead-based hazards and remediation assistance was provided when necessary
 - 3 recreation centers were assisted with necessary repairs
 - Residents in the Trailer Estates neighborhood benefited from the new street lights and sidewalks
- ❖ *Economic Development*
 - 45 children participated in before- and after-school programs, allowing their parents to continue working
 - 6 entrepreneurs were given training and technical assistance on writing business plans and establishing microenterprises

General Questions

1. *Describe the geographic areas of the jurisdiction (including areas of low income families and/or racial/minority concentration) in which assistance will be directed during the next year. Where appropriate, the jurisdiction should estimate the percentage of funds the jurisdiction plans to dedicate to target areas.*

The City of Henderson is located just outside Las Vegas, Nevada, in the southeast region of the Las Vegas Valley. The City has grown dramatically over the past decade and includes a population of over 275,000 residents within approximately 105 square miles. The City does not have qualified low-income census tracts for utilizing CDBG funds, but the City follows the Quartile Threshold of 32.8%. The City operated under the 43.7% Quartile from the 1990 Census which entitled the City to 10 qualified census block groups. Adjusted for the new threshold of 32.8% the City has 30 qualified census block groups throughout the City. The block groups are not in a concentrated area; however, the highest population of minorities is Hispanic and is located in the Downtown Henderson area (Townsite), Pittman area and the Victory Village area. These are the areas of major concentration for CDBG projects, as well as utilization of HOME funding for rehabilitation and first-time homebuyer programming.

2. *Describe the basis for allocating investments geographically within the jurisdiction (or within the EMSA for HOPWA) (91.215(a)(1)) during the next year and the rationale for assigning the priorities.*

The City of Henderson does not allocate investments based on geographic location, but on the priority needs identified by citizen input and included in the Consolidated and Strategic Plans. The majority of funds are allocated for projects in the CDBG Eligible Block Groups and the Redevelopment Areas of Henderson.

See maps on pages 4-6

Map 1: CDBG Eligible Block Groups

Map 2: Public Service Projects

This map shows the location of the public service agencies that will be receiving funding in 2011-2012. All of these agencies provide assistance to citizens throughout Henderson.

Map 3: Public Facilities & Improvements

This map shows the location of the public facilities and improvement projects that are planned for 2011-2012. All of these projects are located within low-income census tracts.

3. *Describe actions that will take place during the next year to address obstacles to meeting underserved needs.*

The largest obstacle the City faces in meeting underserved needs is the limited funding available from federal, state, and local sources. With limited funding, the City must rely on community partners to leverage resources to address priority needs. The City will continue to identify additional funding resources and community partners to assist with prioritized needs. In addition, the City will continue the collaborative efforts with other jurisdictions to improve serving these needs.

4. *Identify the federal, state, and local resources expected to be made available to address the needs identified in the plan. Federal resources should include Section 8 funds made available to the jurisdiction, Low-Income Housing Tax Credits, and competitive McKinney-Vento Homeless Assistance Act funds expected to be available to address priority needs and specific objectives identified in the strategic plan.*

In addition to the City's CDBG and HOME funding, the City also received \$3,901,144 in Federal funding for the Neighborhood Stabilization Program 3 (NSP3). These funds were received in FY 2010 and will assist in the purchase and rehabilitation of foreclosed homes.

The City of Henderson was involved in assisting local community partner, HopeLink, receive the McKinney-Vento Homeless Assistance Act Continuum of Care (CoC) award in the amount of \$471,554 to administer rental assistance for clients at risk of becoming homeless. HopeLink also received a \$315,986 CoC Expansion Grant, as well as two Supportive Housing Renewal grants in the amounts of \$162,056 and \$105,328. This funding will assist with the City's objectives on homeless prevention.

The City also expects resources to be available from the State of Nevada (State). State funding includes State HOME funds, Low Income Housing Trust Funds (LIHTF) for Welfare Set-Aside (WSA), Weatherization and the Nevada Department of Energy (DOE). The State has allocated \$59,240 in LIHTF WSA and \$107,125 in LIHTF for Development of Affordable Housing for FY 2011. The City's Weatherization Program will utilize a combined \$181,515 of State Weatherization funds and Nevada Department of Energy funds, in addition to \$878,475 in Department of Energy's American Recovery and Reinvestment Act (DOE-ARRA) funds.

The City will contribute \$125,000 of the City's general funds toward the Regional Homeless Coordination efforts.

* These amounts are estimates based on past allocations and are subject to change.

Managing the Process

1. *Identify the lead agency, entity, and agencies responsible for administering programs covered by the consolidated plan.*

The City of Henderson's Neighborhood Services Division will administer programs funded by CDBG and HOME funds. Under the direction of the City Manager's office, Neighborhood Services is responsible for delivering programs that promote citizen self-sufficiency, preserve neighborhoods, and provide affordable and stable housing to Henderson residents. In order to provide better service, Neighborhood Services often collaborates with other City departments, including Building and Fire Safety, Public Works, Parks and Recreation, Community Development, Economic Development and the Redevelopment Agency.

Sub-recipients of the City's CDBG and HOME funds are also responsible for administering programs covered by the consolidated plan. The agencies that will be working with Neighborhood Services staff for the 2011-2012 program year include:

- ❖ *Blind Center of Nevada*
- ❖ *Club Christ Ministries*
- ❖ *Down Syndrome Organization*
- ❖ *Giving Life Ministries*
- ❖ *HopeLink*
- ❖ *Living Grace Home*
- ❖ *Nathan Adelson Hospice*
- ❖ *Opportunity Village*
- ❖ *Positively Kids*
- ❖ *Rebuilding Together*
- ❖ *St. Rose Dominican Health Foundation*
- ❖ *SAFE House*
- ❖ *The Shade Tree*

2. *Identify the significant aspects of the process by which the plan was developed, and the agencies, groups, organizations, and others who participated in the process.*

Each year the City of Henderson publishes a notice to the public announcing the availability of CDBG applications and the date of a technical assistance workshop. The notice was published in English in the Las Vegas Review-Journal and in Spanish in El Tiempo, a Spanish language publication of the Review-Journal, on September 30, 2010. This notice was also sent via email to all the organizations that requested to be added to the CDBG notification list. As described in the notice, applications were available for download on the City of Henderson's Neighborhood Services website and for pick up at the Neighborhood Services office at City Hall. The applications were available from September 30, 2010 to November 1, 2010. A technical assistance workshop was held on October 12, 2010, to provide application assistance and answer any questions about the application process. Eleven non-profit agencies attended this workshop.

After the deadline on November 1, 2010, Neighborhood Services staff assembled the applications into workbooks and distributed them to the members of the CDBG Program Advisory Committee (PAC). This committee is comprised of seven Henderson residents who are appointed by Mayor and Council to serve on the committee. The PAC reviewed the CDBG applications and interviewed all grant applicants. After further discussion, the PAC presented their funding recommendations to City Council during a public hearing on April 12, 2011. There was a public review and comment period prior to the public hearing, allowing citizens to voice their opinions. City Council made the final project award selections for submission to HUD, as outlined in this Second Annual Action Plan.

3. *Describe actions that will take place during the next year to enhance coordination between public and private housing, health, and social service agencies.*

Coordination between public housing agencies was enhanced in January 2010 when three local housing authorities merged to become the Southern Nevada Regional Housing Authority (SNRHA). SNRHA is comprised of the housing authority staff from the Housing Authority of Las Vegas, North Las Vegas, and Clark County. While Henderson has never had its own housing authority, the SNRHA benefits all of southern Nevada with their regional efforts and improved coordination. The City will continue to collaborate with the SNRHA on public housing needs.

The City of Henderson is fortunate to have the HopeLink Family Resource Center located in one of its mature neighborhoods. This agency is accessible to Henderson residents in need of housing and social services. HopeLink provides referrals to a wide variety of complimentary services in Southern Nevada. In addition, social service agencies are better able to coordinate efforts through the use of the Nevada 211 system. This is a statewide effort to provide Nevada residents with the best referral services as possible. The City will continue to refer residents to these two resources.

Citizen Participation

1. *Provide a summary of the citizen participation process.*

The City of Henderson's Neighborhood Services Division relies on the City's Citizen Participation Plan for CDBG and HOME programs. All of the CDBG Program Advisory Committee (PAC) meetings are open to the public, where they are invited to attend and make comments. These public meetings are held in a wheelchair accessible building and persons with special needs were asked to contact City staff if special accommodations were needed for these meetings. All PAC meetings have an agenda that is posted three business days prior to the meeting at two local recreation centers, a fire station, and the City Hall building. The agendas are also on the City of Henderson's Neighborhood Services website. Citizens also have the opportunity to review and comment on all Consolidated Plans, Action Plans, and Consolidated Annual Performance and Evaluation Reports (CAPER) before they are approved by City Council and submitted to HUD.

2. *Provide a summary of citizen comments or views on the plan.*

No citizen comments were submitted during the public comment period or during the public hearing on the Plan.

3. *Provide a summary of efforts made to broaden public participation in the development of the consolidated plan, including outreach to minorities and non-English speaking persons, as well as persons with disabilities.*

An advertisement was published in the local newspaper, Las Vegas Review-Journal, on February 25, 2011, notifying the public that the City of Henderson's Draft Action Plan was available for review and public comment. The ad was published in English in the Review-Journal and in Spanish in El Tiempo, a Spanish language publication of the Review-Journal. The ad announced that the Draft Action Plan was available at City Hall in the Neighborhood Services office, as well as two local libraries located near the CDBG eligible areas. The Draft Action Plan was also posted on the City of Henderson's website, and copies of the Plan were available upon request. In addition to this advertisement, the Program Advisory Committee was notified of the availability of the Draft Action Plan for review and comment.

The public was invited to submit their written comments to the Neighborhood Services office during the comment period, which began on February 25, 2011 and ended on March 28, 2011. As stated in the ad, a public hearing was held on April 12, 2011, at the City Council Chambers. The Council Chambers is located in a wheelchair accessible building and persons with special needs were asked to contact City staff if special accommodations were needed for this meeting. No requests were made by the public.

4. *Provide a written explanation of comments not accepted and the reasons why these comments were not accepted.*

No citizen comments were received during the public comment period or during the public hearing on the Plan.

Institutional Structure

1. *Describe actions that will take place during the next year to develop institutional structure.*

During the next year, the City of Henderson will continue to work together with other local jurisdictions and non-profit organizations to maintain an institutional structure. The lead agency, Neighborhood Services, will work on behalf of the City of Henderson to administer the CDBG, HOME, and NSP programs, and will be working closely with other City departments, such as Public Works, Parks & Recreation, Building & Fire Safety, Economic Development, and the Redevelopment Agency.

In addition to these City departments, other jurisdictions will also be a factor in this process. The City is part of a consortium that includes Clark County, City of Las Vegas, City of North Las Vegas, Boulder City and City of Mesquite. This consortium meets on a bi-monthly basis to discuss issues regarding CDBG, HOME, ESG, HOPWA, and other federal programs. These meetings usually cover such topics as the application process, citizen participation schedules, consolidated plans, homelessness issues, program reporting, upcoming events and local issues.

Non-profit organizations are also an important component of the institutional structure. There are 13 non-profit organizations receiving CDBG funding from the City of Henderson for FY 2011, and each of these organizations offers a unique service to the Henderson community.

Monitoring

1. *Describe actions that will take place during the next year to monitor its housing and community development projects and ensure long-term compliance with program requirements and comprehensive planning requirements.*

The City of Henderson Neighborhood Services staff will monitor each agency receiving CDBG & HOME funding to ensure compliance with HUD and other Federal regulations. New sub-recipients will receive technical assistance from City staff to guarantee that they understand the program requirements. Each CDBG sub-recipient is required to submit a monthly report describing the activities of the program for that month and the number of clients served. Staff will review these reports to monitor the progress being made toward project goals and outcome measurements. Backup documentation is also required with any requests for reimbursement and these documents are reviewed to ensure compliance with CDBG program requirements.

On-site visits are scheduled periodically to review several areas of activity, including client records and data; organization policies and procedures; accounting systems and records; budget management; property records; timely expenditures; and other federal requirements. In addition, the City conducts site visits to ensure compliance with Davis-Bacon wage requirements related to construction projects and reviews documentation to ensure requirements are met. The City has adopted a HOME monitoring program for both Rental and Single Family homes in compliance with Federal regulations.

Sub-recipients are routinely provided training and technical assistance (T&TA) to assist them with compliance with funding regulations. T&TA will be customized and intensified as necessary to support struggling sub-recipients to bring about compliance. In the event T&TA fails to produce full compliance, letters to the leadership of sub-recipient organizations and increased scrutiny, up to and including withholding funds, would be implemented in order to secure compliance.

The City utilizes the Consolidated Annual Performance & Evaluation Report (CAPER) process in addition to internal performance and outcome measurements to monitor overall performance in meeting its goals & objectives as described in this Action Plan. Discussion of citizen review of performance is included in the Citizen Participation Plan.

Lead-based Paint

1. *Describe the actions that will take place during the next year to evaluate and reduce the number of housing units containing lead-based paint hazards in order to increase the inventory of lead-safe housing available to extremely low-income, low-income, and moderate-income families, and how the plan for the reduction of lead-based hazards is related to the extent of lead poisoning and hazards.*

Lead poisoning is a serious health concern, and can be especially dangerous for young children with repeated exposure to lead sources. A person can be exposed to lead in a variety of ways. According to the Southern Nevada Health District's (SNHD) Childhood Lead Poisoning Prevention Program, common sources of lead include soil, especially in dense urban areas, paint chips from interior and exterior paint in homes built before 1978, and household dust & debris from older building renovations. Lead can also be found in contaminated drinking water, usually the result of leaks in homes that have lead pipes, brass fixtures, and/or brass valves. There are also other sources of lead hazards that are non-paint based, which include imported cosmetics, candy & toys; pottery & ceramics; and home work and hobby activities such as remodeling, radiator repair, or use of an indoor firing range.

The City of Henderson will continue collaborations with the University of Nevada – Las Vegas (UNLV) Department of Environmental & Occupational Health and the SNHD and its partner agencies in public awareness and outreach campaigns to educate the public on lead-based hazards, in addition to providing all testing and abatement data. The City will continue testing pre-1978 homes of all residents requesting/receiving housing assistance from the City. The City will provide participating owners with educational materials, as well as financial assistance to identify and abate hazards. The Southern Nevada Regional Housing Authority (SNRHA) has tested all public housing units within this jurisdiction and they are lead-free.

HOUSING

Specific Housing Objectives

*Please also refer to the Housing Needs Table in the Needs.xls workbook.

1. *Describe the priorities and specific objectives the jurisdiction hopes to achieve during the next year.*

The community participation process utilized in developing the City's 2010-2014 Consolidated Plan prioritized homeownership assistance and affordable rental housing as the highest community housing needs. In addition, the City focuses efforts on assisting low-income owner-occupants to maintain existing affordable housing through emergency repairs and minor rehabilitation activities, as well as improving energy efficiency in older existing housing stock. This year we expect to assist 5 first-time homebuyers through the HOME program and another 30 through the Neighborhood Stabilization Program 3 (NSP3).

The housing activities the City will carry out and the specific objectives to be achieved during the next year in support of the priorities identified in the Consolidated Plan are listed in Table 2.

Table 2: Specific Housing Objectives 2011-2012

Specific Housing Objectives 2011-2012	
Objective:	New affordable housing will be developed
	Nevada HAND will construct 62 new units Accessible Space will construct 60 new units College Villas will construct 226 new units
Objective:	Existing units will be purchased and converted to affordable units
	CHDO will purchase and rehabilitate 3 units of affordable housing
Objective:	Assist first-time homebuyers
	Homebuyers will purchase 5 homes
Objective:	Assist owner-occupants to maintain affordable housing
	COH Emergency Repair will assist 12 households COH Low-Income Owner Rehab will assist 3 households Rebuilding Together will repair 2 homes Weatherization Programs will assist 200 households Survey 60 residential structures for historical significance
Objective:	Evaluate and remove lead-based hazards in homes
	COH will provide outreach and testing in 5 homes

In January 2010 the City issued an Analysis of Impediments to Fair Housing (AI) report. Basically, the Fair Housing Act prohibits housing discrimination and Fair Housing is the process and vehicle for ensuring those protections. The AI is prepared to identify potential impediments and barriers to fair housing choices which by their nature may restrict a person's ability to obtain housing for reasons of race, color, religion, sex, disability, familial status or national origin. The AI identified the following impediments:

- A lack of complaint data collection necessary to perform analysis of fair housing complaints
- Citizens lack of knowledge of fair housing rights & responsibilities
- Lack of adequate supply of affordable housing
- Citizen resistance to group homes
- Potential predatory and/or unfair lending issues

In responding to the identified impediments, this year the City will increase communication with the HUD Fair Housing and Equal Opportunity offices to improve timely feedback on the number and type of fair housing complaints in our community. The City will analyze data in an effort to respond to trends and required actions as may be necessary. The City will carry out public awareness activities to help residents understand their rights and responsibilities regarding fair housing. Education and increased awareness to as many individuals as possible about fair housing results in:

- Facilitating a more meaningful understanding of the law
- Increased awareness of the rights afforded protected classes and standards to be maintained
- Empowering victims of illegal activities to assert their rights
- Enabling key sectors of the community to act proactively to comply with fair housing provisions

Activities addressing the supply of affordable housing are discussed in the Barriers to Affordable Housing section on page 16 of this Action Plan. The City will review any and all group home licensing applications and note potential neighborhood resistance and facilitate appropriate communications as required. The City is monitoring potential changes to Nevada Statutes regarding community and group homes. Legislative changes could result in updates to the City's code. The City will improve collaborative efforts with home buyer education providers to better prepare applicants before submission of mortgage loan applications in an effort to mitigate predatory loan practices.

The City will analyze 2010 census data as it becomes available and update the AI as necessary. This year the City will utilize the new census data in conducting an analysis as to whether specific racial or ethnic minorities have a disproportionate need for affordable housing and specifically identify existing affordable housing available in areas of minority concentrations as an update to the AI.

2. *Describe how Federal, State, and local public and private sector resources that are reasonably expected to be available will be used to address identified needs for the period covered by this Action Plan.*

Henderson has limited available Federal, State or local public and private sector resources, therefore we intend on using our funds primarily for direct homeowner assistance, rehabilitation of existing homes, and gap financing for new construction. In addition to CDBG and HOME funds, the City will utilize \$107,125 in State LIHTF funds in the Development of Affordable Housing. \$59,240 of State LIHTF Welfare Set-Aside funds will be utilized by local community partner, HopeLink, for homeless prevention projects. The City of Henderson was also involved in HopeLink receiving the McKinney-Vento Homeless Assistance Act Continuum of Care (CoC) award of \$471,554 to administer a rental assistance program for clients who are at risk of becoming homeless. In addition, HopeLink received a \$315,986 CoC Expansion Grant. HUD recently announced two Supportive Housing Renewal grants were allocated to HopeLink in the amounts of \$162,056 and \$105,328. The City's Weatherization Program will utilize a combined \$181,515 of State Weatherization funds and Nevada Department of Energy funds, in addition to \$878,475 in Department of Energy's American Recovery and Reinvestment Act (DOE-ARRA) funds.

Needs of Public Housing

1. *Describe the manner in which the plan of the jurisdiction will help address the needs of public housing and activities it will undertake during the next year to encourage public housing residents to become more involved in management and participate in homeownership.*

The Southern Nevada Regional Housing Authority (SNRHA) manages the four public housing facilities within the City of Henderson. The SNRHA utilizes its Capital Fund to provide staff and resident training for the public housing programs within HUD's revised program guidelines. The SNRHA Resident Program Administrator manages and conducts resident oriented programs and Housing Management staff keeps residents abreast of new or revised regulations, policies and procedures. Staff will continue to assist, establish and support the Resident Councils. Existing councils and other resident groups are directly involved in providing input for proposed rehabilitation activities. The SNRHA will continue to coordinate seminars on the purchase of homes for interested public housing and other residents and Section 8 participants. They will also provide consumer credit counseling.

The SNRHA received American Recovery and Reinvestment Act (ARRA) Public Housing Capital Grant funding in the amount of \$1,724,275 and \$133,704 in Section 8 project based assistance. While the specific funding amounts have not yet been targeted to specific geographic areas within the SNRHA's jurisdiction, the four public housing facilities within the City of Henderson represent 39% of the total public housing facilities managed by SNRHA. We anticipate these funds will be of significant benefit within this jurisdiction.

The City of Henderson has assisted SNRHA in purchasing 9 scattered site homes through the Neighborhood Stabilization Program and this will facilitate affordable

rentals to public housing residents at or below 50% of Area Median Income (AMI).

The SNRHA's Family Self-Sufficiency Program continues to include families in both their Section 8 and Public Housing Programs. A partnership with the State Welfare Division to coordinate these efforts with the "Welfare-To-Work" requirements, as a part of the national welfare reform, has also been implemented. The SNRHA continues its Section 8 Homeownership Program which allows Family Self-Sufficiency households to use their Section 8 vouchers towards a home mortgage payment.

2. *If the public housing agency is designated as "troubled" by HUD or otherwise is performing poorly, the jurisdiction shall describe the manner in which it will provide financial or other assistance in improving its operations to remove such designation during the next year.*

The Southern Nevada Regional Housing Authority is not designated as "troubled".

Barriers to Affordable Housing

1. *Describe the actions that will take place during the next year to remove barriers to affordable housing.*

Southern Nevada has been one of the hardest hit areas of the nation for the foreclosure crisis and economic recession. High unemployment contributes to families losing their homes and vacant homes are becoming blighted properties and depressing neighborhoods. Projections are that area will lag the rest of the nation in economic recovery as hospitality and tourism are the primary drivers in the local economy, but as the rest of the nation pulls out of the recession the local economy will rebound.

The City of Henderson has limited resources to deal with the crisis but is making maximum use of the resources at its disposal. Henderson places a high priority on participation in the Regional approach in evaluating tools to address the lack of affordable housing on a macro scale, in addition to collaborating with stake holders and brainstorming options for affordable housing. The City has collaborated with three non-profit developers and one for-profit developer in assembling the funding for four projects which will result in 424 units of affordable rental housing. These projects will be completed by the end of the 2011-2012 program year.

The lack of adequate supply of affordable housing was identified in the Analysis of Impediments (AI) as an impediment to fair housing. The activities described in the Specific Housing Objectives section of this Plan will increase the supply of affordable housing and help low-income residents maintain their existing affordable housing thereby remove barriers to affordable housing.

Henderson will be using Neighborhood Stabilization funds to assist community-based organizations in purchasing foreclosed homes and either resell them or rent them to qualified low- and moderate-income families. This effort will help to stabilize neighborhoods and prevent further decline. The City has been awarded \$3,901,144 in NSP3 and 40 units of affordable housing will be available through

this program in targeted neighborhoods. Current funding levels, however, are inadequate to meet the growing need. The City's NSP3 Plan includes the following four activities:

- Activity: Homebuyer Assistance, Funding level: \$590,644
This activity will allow qualified homebuyers with incomes which do not exceed 120% Area Median Income (AMI) to purchase homes and rehabilitate the home if necessary. It is not primarily intended that this activity will serve to address those income-qualified persons below 50% AMI; however there may be a small percentage of buyers who fall within this income category. This activity will result in 15 units of housing.
- Activity: Acquisition & Rehabilitation, Funding level: \$1,945,100
This activity will allow the City to provide funding to qualified community-based nonprofits to purchase and rehabilitate homes. The nonprofits will be selected through a structured process. The nonprofit can sell acquired homes directly to qualified homebuyers or lease with intent to purchase. This activity will serve to stabilize the priority area. It is not primarily intended that this activity will be used to address income-qualified households below 50% AMI; however some households falling within this category may be assisted. This activity will result in 15 units of housing.
- Activity: Acquisition & Rehabilitation to Rent, Funding level: \$975,286
This activity will allow the City to provide funding to qualified community-based nonprofits to purchase and rehabilitate homes. The nonprofits will be selected through a structured process. The activity will include but not be limited to assisting one or more nonprofit organizations to purchase & rehabilitate homes and then rent the properties to households with incomes at or below 50% AMI. This activity will result in 10 units of housing.
- Activity: NSP3 Program Administration, Funding level: \$390,114

HOME/ American Dream Down payment Initiative (ADDI)

1. *Describe other forms of investment not described in § 92.205(b).*

The City will utilize Low-Income Housing Trust Funds (LIHTF) as a match for the HOME program.

2. *If the participating jurisdiction (PJ) will use HOME or ADDI funds for homebuyers, it must state the guidelines for resale or recapture, as required in § 92.254 of the HOME rule.*

All guidelines and requirements that address resale or recapture, as required in §92.254 of the HOME rule are outlined in the programs Operating Procedures and Agreements. The City does not have a Resale provision. All expended HOME Funds are for home ownership activities and shall be repaid upon sale of the property. In the event of a foreclosure the City will recapture funds from available net proceeds.

3. *If the PJ will use HOME funds to refinance existing debt secured by multifamily housing that is being rehabilitated with HOME funds, it must state its refinancing guidelines required under § 92.206(b). The guidelines shall describe the conditions under which the PJ will refinance existing debt. At a minimum these guidelines must:*
- Demonstrate that rehabilitation is the primary eligible activity and ensure that this requirement is met by establishing a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing.*
 - Require a review of management practices to demonstrate that disinvestments in the property has not occurred; that the long-term needs of the project can be met; and that the feasibility of serving the targeted population over an extended affordability period can be demonstrated.*
 - State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both.*
 - Specify the required period of affordability, whether it is the minimum 15 years or longer.*
 - Specify whether the investment of HOME funds may be jurisdiction-wide or limited to a specific geographic area, such as a neighborhood identified in a neighborhood revitalization strategy under 24 CFR 91.215(e)(2) or a Federally designated Empowerment Zone or Enterprise Community.*
 - State that HOME funds cannot be used to refinance multifamily loans made or insured by any federal program, including CDBG.*

The City of Henderson does not use HOME funds to refinance existing debt on multifamily housing rehabilitation projects.

4. *If the PJ is going to receive American Dream Down payment Initiative (ADDI) funds, please complete the following narratives:*
- Describe the planned use of the ADDI funds.*
 - Describe the PJ's plan for conducting targeted outreach to residents and tenants of public housing and manufactured housing and to other families assisted by public housing agencies, for the purposes of ensuring that the ADDI funds are used to provide down payment assistance for such residents, tenants, and families.*
 - Describe the actions to be taken to ensure the suitability of families receiving ADDI funds to undertake and maintain homeownership, such as provision of housing counseling to homebuyers.*

The City of Henderson does not receive any ADDI funds.

HOMELESS

Specific Homeless Prevention Elements

*Please also refer to the Homeless Needs Table in the Needs.xls workbook.

1. *Sources of Funds—Identify the private and public resources that the jurisdiction expects to receive during the next year to address homeless needs and to prevent homelessness. These include the McKinney-Vento Homeless Assistance Act programs, other special federal, state and local and private funds targeted to homeless individuals and families with children, especially the chronically homeless, the HUD formula programs, and any publicly-owned land or property. Please describe, briefly, the jurisdiction's plan for the investment and use of funds directed toward homelessness.*

The City of Henderson expects to utilize CDBG, McKinney-Vento Homeless Assistance, State of Nevada Low-Income Housing Trust Fund and local general funding over the next year to address homeless needs and to help prevent homelessness. This year, the City of Henderson will contribute \$125,000 from its general funds as a pro rata share of the regional homeless coordination efforts. The City's participation in regional approaches to homelessness include Inclement Weather Shelter services, mobile Crisis Intervention teams, the Homeless Census & Evaluation Project, the Homeless Management Information System (HMIS), and the Westcare Crisis Triage Center. Funding provided through the CDBG program will assist the Shade Tree, SAFE House, HopeLink, Living Grace Home and Giving Life Ministries with regional homeless population services. Henderson was also instrumental in the local community partner, HopeLink, receiving a McKinney-Vento Homeless Assistance Act Continuum of Care (CoC) award of \$471,554 to administer a rental assistance program for clients who are at risk of becoming homeless. HopeLink also received a \$315,986 CoC Expansion Grant. HUD recently announced two supportive housing renewal grants that were allocated to HopeLink in the amounts of \$162,056 and \$105,328. In addition, \$59,240 in State LIHTF Welfare Set-Aside funds will also be utilized by HopeLink in efforts to prevent homelessness.

2. *Homelessness—In a narrative, describe how the action plan will address the specific objectives of the Strategic Plan and, ultimately, the priority needs identified. Please also identify potential obstacles to completing these action steps.*

The 2010-2014 Consolidated Plan prioritized two specific Homeless Objectives within the Strategic Plan, namely new/improved sustainability of suitable living environments and new/improved availability of decent housing. The specific annual activities included in this Action Plan to address these objectives are as follows:

- ❖ New/Improved Sustainability of Suitable Living Environments (SL-3)
 - Help prevent homelessness
 - HopeLink will provide emergency housing assistance to 500 people
- ❖ New/Improved Availability/Accessibility of Decent Housing (DH-1)
 - Formerly homeless persons will be assisted to stable housing
 - Living Grace Home will assist 25 homeless pregnant teens
 - SAFE House will assist 55 victims of domestic violence
 - Shade Tree will assist 3400 persons to housing programs

Henderson is an active member of the Southern Nevada Regional Planning Commission's (SNRPC) Technical Working Group for the Committee on Homelessness and is therefore involved in the regional strategic planning effort to eliminate chronic homelessness by 2012. The strategy contains a gap analysis to identify the areas that are most in need of being addressed and receiving attention. Lack of funding and the current national financial crisis are huge barriers to achieving these goals. The SNRPC has adopted a Southern Nevada Regional Homeless & Housing Plan, otherwise known as the *Help Hope Home Plan*, which provides guidance for regional planning efforts and reports progress toward regionally established goals.

The *Help Hope Home Plan* defines core strategies and details the following implementation schedule that we will use to make this change a reality. These strategies and their objectives, along with the activities that support them, form our local agenda to end homelessness in Southern Nevada. Core strategies of the Plan are based on best practices and proven methods that have decreased the incidence of homelessness in communities that are successfully implementing similar plans across the country.

Southern Nevada rolled out the *Help Hope Home* Business Case and initial Implementation Schedule in the fall of 2007. The implementation schedule is designed to contain the detailed Work Plan supporting the business case and identify the strategies, action steps and evaluation methodology to measure progress. After three years of executing the action steps contained within the initial work plan to advance the goal of ending homelessness in Southern Nevada, *Help Hope Home* has re-tooled the implementation schedule to eliminate unnecessary duplication and provide a summary overview of progress. The three key strategies are:

- **HELP - Planning for Outcomes:** Design a roadmap for change, including objectives, activities and evaluation plans for each of the key strategies that will drive community outcomes. Build the infrastructure that will deliver services, increase access to housing opportunities and support through increased collaboration and strategic alliances across the region.
- **HOPE - Closing the Front Door to Homelessness:** Prevent homelessness whenever possible. Improve the availability of prevention programs, expand the types of prevention strategies, and evaluate their effectiveness in preventing homelessness. Provide people at risk for homelessness with wraparound services. Improve access to wraparound mainstream services that link clients to services and community support to keep the client in safe, affordable housing and address health and wellness issues.
- **HOME - Opening the Back Door out of Homelessness:** Rapidly re-house people who become homeless. Expand the availability of affordable permanent housing and improve access to sustainable housing options. Implement the transition from the existing tiered shelter system to a system that focuses on providing housing.

Again this year, the City of Henderson will partner in what is now a semi-annual event called *Project Homeless Connect*. Formerly called *Stand Down for the Homeless*, this event links homeless persons and families with community resources to assist them in transitioning from homelessness while providing valuable free services to help improve their immediate lives. *Project Homeless Connect* is part of the Regional Homeless Coordination effort to address homelessness on a regionally cooperative scale. Henderson's efforts this year will include providing free transportation on City Parks & Recreation buses from several locations in Henderson to & from the *Homeless Connect* events. The City is participating in outreach efforts to promote the event, including advertising in City facilities and informational visits to nutrition sites within the City to inform people of the event and available services.

The City utilizes a voucher program to provide an option for homeless persons utilizing public and private property, to get off the streets. Police who come in contact with homeless persons may initiate a hotel accommodation to assist individuals to begin to rebuild their lives. HopeLink initiates outreach efforts to homeless persons utilizing the vouchers and offers supportive services to homeless persons. This effort has been coordinated with the regional effort mentioned above.

3. *Chronic homelessness—The jurisdiction must describe the specific planned action steps it will take over the next year aimed at eliminating chronic homelessness by 2012. Again, please identify barriers to achieving this.*

The Regional Homeless Coordination group plays the central role in coordinating efforts to address chronic homelessness. The Continuum of Care process is developed and managed through Regional Coordination, ensuring funding applicants and funding recipients are coordinating efforts and targeting identified community needs. Protocols are developed through this coordinated effort and Interlocal Agreements among the jurisdictions document regional commitment to following developed protocols. Utilization of the Homeless Management Information System (HMIS) is now being mandated by other local funding sources which enhances coordination.

The City of Henderson is a partner in regional efforts to eliminate chronic homelessness, including the regional Continuum of Care (CoC) collaborative. The regional effort includes Mobile Crisis and OUTREACH Teams to actively seek-out chronically homeless individuals and families with children to engage them in services. The team routinely visits encampments and is successful in moving people into programs and housing. The CoC has a 70-unit Shelter Plus Care Program to provide immediate shelter and wraparound services for chronically homeless individuals who wish to access services.

4. *Homelessness Prevention—The jurisdiction must describe its planned action steps over the next year to address the individual and families with children at imminent risk of becoming homeless.*

The City prioritizes assistance for families at imminent risk of becoming homeless. The City collaborates with community-based partners to secure emergency housing and utility resources to the community to help at-risk households maintain existing housing. The City actively participates in regional allocations of United Way Immediate Needs funding, the Emergency Food & Shelter Program, the Homeless Prevention Rapid Re-housing Program and LIHTF initiatives to help bring resources to the jurisdiction and its residents.

The City partners in the Volunteer Income Tax Assistance (VITA) collaborative to help low-income families maximize tax refunds and assist households to remain self-sufficient. The City funds emergency nutritional programming for low-income persons and case management efforts to assist individuals and families at imminent risk of homelessness, including victims of domestic violence and homeless pregnant teens.

The City collaborates with community-based partners such as Consumer Credit Counseling, Nevada Fair Housing, Women's Development Center, Housing for Nevada, Nevada Bankers Collaborative, and Legal Aid Center of Southern Nevada in providing outreach, education, and counseling assistance to people coping with bankruptcy and foreclosure issues.

5. *Discharge Coordination Policy—Explain planned activities to implement a cohesive, community-wide Discharge Coordination Policy, and how, in the coming year, the community will move toward such a policy.*

The City of Henderson will continue active participation in the regional development and implementation of the Discharge Coordination Policy. The Policy is contained in the Regional Continuum of Care (CoC) application and summarized below:

Foster Care: The Division of Child and Family Services is responsible for the oversight of all independent living programs in Nevada. Nevada's Independent Living Program is a set of services available to all foster youth between the ages of 15½ until the age of 21. Nevada's Independent Living Program does not refer foster youth to HUD McKinney-Vento funded programs. The Division considers foster care to be the legal status of the child. Independent living services may continue with the child after permanency has been achieved, depending on the needs of the child. There are instances where the youth turns 18 and refuses further services from the Foster Care system or they may runaway and not able to be located. In these cases, the ward ship is terminated.

Health Care: A Health Care workgroup was formed and will continue to meet on a regular basis in order to develop formal discharge protocols for all hospitals throughout the state, with the focus being on safe, stable housing upon discharge into non-HUD McKinney-Vento funded programs.

Mental Health: A Mental Health workgroup was formed from the Statewide Discharge Planning Summit held in 2007. This group is developing formal discharge protocols for all mental health and substance abuse facilities throughout the state. Clients admitted to the mental health in-patient system are assigned a Social Worker to facilitate discharge to a safe environment. The Social Worker assesses the clients discharge needs, refers the client to outpatient services, identifies and mobilized community resources and ensures clients have the necessary appointments and aftercare needs met. Reconciliation with family members is encouraged whenever possible and transportation is provided to reunite clients with family and friends who may be in a different geographic area.

Corrections: A Corrections workgroup was formed from the Statewide Discharge Planning summit held in 2007. The CoC applied to HUD and was granted Technical Assistance regarding corrections discharge and will assist in developing formal discharge protocols for all correctional facilities throughout the state. The CoC coordinator is a member of the newly formed Statewide Prisoner Re-entry Coalition that is the working group for the Governor-appointed Statewide Re-entry Task Force.

Clark County and the City of Las Vegas Detention & Enforcement have been working jointly to implement a discharge plan for the homeless inmates. This plan and its implementation are in the "pilot phase" prior to formalization of the policy. The Department of Corrections (DOC) for the State of Nevada has policies and procedures in place to ensure that persons leaving publicly funded institutions or systems of care do not end up homeless when discharged from the facility.

COMMUNITY DEVELOPMENT

Community Development

*Please also refer to the Community Development Table in the Needs.xls workbook.

1. *Identify the jurisdiction's priority non-housing community development needs eligible for assistance by CDBG eligibility category specified in the Community Development Needs Table (formerly Table 2B), public facilities, public improvements, public services and economic development.*

As stated in the 2010-2014 Consolidated Plan, the City of Henderson has identified the priority community development needs listed in Table 3.

2. *Identify specific long-term and short-term community development objectives (including economic development activities that create jobs), developed in accordance with the statutory goals described in section 24 CFR 91.1 and the primary objective of the CDBG program to provide decent housing and a suitable living environment and expand economic opportunities, principally for low- and moderate-income persons.*

**Note: Each specific objective developed to address a priority need, must be identified by number and contain proposed accomplishments, the time period (i.e., one, two, three, or more years), and annual program year numeric goals the jurisdiction hopes to achieve in quantitative terms, or in other measurable terms as identified and defined by the jurisdiction.*

The City of Henderson seeks to achieve the following community development objectives within the 2011-2012 program year:

❖ Decent Housing (DH)

▪ New/Improved Accessibility/Availability to Decent Housing (DH-1)

- Provide funding for homelessness prevention services to 500 individuals at HopeLink
- Provide funding to assist 25 homeless pregnant teens at Living Grace Home
- Provide funding to assist with emergency shelter and transitional services for 3455 victims of domestic violence at SAFE House and The Shade Tree

▪ New/Improved Sustainability of Decent Housing (DH-3)

- Provide funding to repair and rehabilitate 2 houses through Rebuilding Together

❖ Suitable Living Environment (SL)

▪ New/Improved Accessibility/Availability of Suitable Living Environment (SL-1)

Antipoverty Strategy

1. *Describe the actions that will take place during the next year to reduce the number of poverty level families.*

As previously described, the housing crisis and economic recession has left Southern Nevada as one of the hardest hit areas of the country. Area unemployment has hugged the 14% range, and estimates are the local economic recovery is likely to lag the rest of the country. Jobs and education programs are required to reduce the number of poverty level families and the City of Henderson will continue to promote efforts that incorporate local and regional economic development and supportive services to assist extremely low- and low-income residents achieve self-sufficiency. The City will also continue to encourage CDBG applications from non-profit agencies for programs that promote self-sufficiency and economic independence.

The Workforce Investment Act of 1998 created a streamlined workforce development system channeling federal funds earmarked for training, apprenticeships and other resources to couple workers with employers. The City will continue to partner with Southern Nevada Workforce Connection (SNWC) who works with relevant agencies and organizations to connect those looking for work with the best resources available so that they can make a difference in their own lives. Workers who need jobs, additional skills or related workforce information, and employers who need skilled workers or assistance with workforce concerns are assisted through SNWC. Through programs such as Adult & Dislocated Worker and Prisoner Reentry, and specific sector-targeted programs such as Green Economy and Healthcare, SNWC works with both employers and job seekers in making appropriate "matches". A key component of SNWC is Nevada JobConnect, a "one stop" model for employment services, and a JobConnect Center is located in downtown Henderson. Nevada JobConnect is a significant component in providing outreach, training and job placement services to residents. In addition, the College of Southern Nevada offers a large selection of programs for low-income residents at their Division of Workforce and Economic Development. With two of their campuses located in Henderson, the Division offers training programs and classes to develop new skills and improve opportunities for career advancement.

The City of Henderson is a founding sponsor and will continue as collaborator with the Henderson Business Resource Center (HBRC). The HBRC provides business support services and resources tailored to young companies. The goal of HBRC is to create jobs in the community, enhance an entrepreneurial climate, and retain businesses in the community while diversifying the local economy. Within the HBRC, business counseling is provided by SCORE, the Nevada Small Business Development Center, Nevada Microenterprise Initiative, and Entrepreneur Life.

The City is an active partner in the Volunteer Income Tax Assistance (VITA) Project. In keeping with the goal of helping low-income families become self-sufficient and save money for the future, many City employees volunteer in providing free federal tax return preparation and taxpayer assistance in claiming the Earned Income and Child Care Tax Credits. The Earned Income Tax Credit (EITC) is the largest federal aid program for working families, providing more money to working families than food stamps and Temporary Assistance to Needy

Families (TANF) combined. The program has the potential to lift many working families out of poverty but it is estimated that up to 25% of eligible taxpayers do not take advantage of the credit. The City has partnered with community based organizations in promoting the program, which helps residents avoid high-cost preparation fees and expensive refund anticipation loans.

The City's active collaboration with the Southern Nevada Regional Homeless Coordination effort has been beneficial to low-income residents in the distribution of Homeless Prevention Rapid Re-housing funds. The City will continue this collaborative effort throughout implementation of the Hearth Act of 2009 and the Emergency Solutions Grant Program as these initiatives are expected to be beneficial supportive lifelines in our community.

NON-HOMELESS SPECIAL NEEDS HOUSING

Non-homeless Special Needs (91.220 (c) and (e))

*Please also refer to the Non-homeless Special Needs Table in the Needs.xls workbook.

1. *Describe the priorities and specific objectives the jurisdiction hopes to achieve for the period covered by the Action Plan.*

Non-homeless special needs are included for individuals who are not homeless, but still require housing and supportive services. Citizens with non-homeless special needs are either elderly, frail elderly, persons with mental illness, developmentally or physically disabled, addicted to alcohol or other drugs, persons with HIV/AIDS and their families, or public housing residents. The community-based partners that provide supportive services to people with special needs include the Blind Center of Nevada, Down Syndrome Organization of Southern Nevada, Nathan Adelson Hospice, Foundation for Positively Kids, and St. Rose Dominican Health Foundation. Rebuilding Together will offer housing solutions to low-income seniors and disabled individuals. The specific objectives the City has for non-homeless special needs include:

- *Blind Center of Nevada* – provide 12 visually impaired Henderson residents with transportation services
 - *Down Syndrome Organization of Southern Nevada* – provide 2 children with speech and physical therapy services
 - *Nathan Adelson Hospice* – deliver 900 meals to homecare patients and/or their caretakers
 - *Foundation for Positively Kids* – provide medical daycare/respite service to 12 medically fragile children
 - *St. Rose Dominican Health Foundation* – provide 5,578 round-trip rides to seniors in Henderson
 - *Rebuilding Together* – provide housing repairs and rehabilitation to 2 low-income seniors or disabled individuals
2. *Describe how Federal, State, and local public and private sector resources that are reasonably expected to be available will be used to address identified needs for the period covered by this Action Plan.*

The City of Henderson will utilize CDBG funding to address the specific objectives for non-homeless special needs.

Completing Part 1: Homeless Population. This must be completed using statistically reliable, unduplicated counts or estimates of homeless persons in sheltered and unsheltered locations at a one-day point in time. The counts must be from: (A) administrative records, (N) enumerations, (S) statistically reliable samples, or (E) estimates. The quality of the data presented in each box must be identified as: (A), (N), (S) or (E).

Completing Part 2: Homeless Subpopulations. This must be completed using statistically reliable, unduplicated counts or estimates of homeless persons in sheltered and unsheltered locations at a one-day point in time. The numbers must be from: (A) administrative records, (N) enumerations, (S) statistically reliable samples, or (E) estimates. The quality of the data presented in each box must be identified as: (A), (N), (S) or (E).

Sheltered Homeless. Count adults, children and youth residing in shelters for the homeless. “Shelters” include all emergency shelters and transitional shelters for the homeless, including domestic violence shelters, residential programs for runaway/homeless youth, and any hotel/motel/apartment voucher arrangements paid by a public/private agency because the person or family is homeless. Do not count: (1) persons who are living doubled up in conventional housing; (2) formerly homeless persons who are residing in Section 8 SRO, Shelter Plus Care, SHP permanent housing or other permanent housing units; (3) children or youth, who because of their own or a parent’s homelessness or abandonment, now reside temporarily and for a short anticipated duration in hospitals, residential treatment facilities, emergency foster care, detention facilities and the like; and (4) adults living in mental health facilities, chemical dependency facilities, or criminal justice facilities.

Unsheltered Homeless. Count adults, children and youth sleeping in places not meant for human habitation. Places not meant for human habitation include streets, parks, alleys, parking ramps, parts of the highway system, transportation depots and other parts of transportation systems (e.g. subway tunnels, railroad car), all-night commercial establishments (e.g. movie theaters, laundromats, restaurants), abandoned buildings, building roofs or stairwells, chicken coops and other farm outbuildings, caves, campgrounds, vehicles, and other similar places.

NON-STATE GOVERNMENT CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Drug Free Workplace -- It will or will continue to provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
2. Establishing an ongoing drug-free awareness program to inform employees about –
 - a. The dangers of drug abuse in the workplace;
 - b. The grantee's policy of maintaining a drug-free workplace;
 - c. Any available drug counseling, rehabilitation, and employee assistance programs; and
 - d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will –
 - a. Abide by the terms of the statement; and
 - b. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted –
 - a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - b. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

8. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
9. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
10. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

11. **Maximum Feasible Priority -** With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
12. **Overall Benefit -** The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2011, 2012, 2013, (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
13. **Special Assessments -** It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

14. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
15. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance With Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of part 35, subparts A, B, J, K and R, of title 24;

Compliance with Laws -- It will comply with applicable laws.

**OPTIONAL CERTIFICATION
CDBG**

Submit the following certification only when one or more of the activities in the action plan are designed to meet other community development needs having a particular urgency as specified in 24 CFR 570.208(c):

The grantee hereby certifies that the Annual Plan includes one or more specifically identified CDBG-assisted activities, which are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If the participating jurisdiction intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the participating jurisdiction's consolidated plan for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing.

Eligible Activities and Costs -- it is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214.

Appropriate Financial Assistance -- before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

HOPWA Certifications

The HOPWA grantee certifies that:

Activities -- Activities funded under the program will meet urgent needs that are not being met by available public and private sources.

Building -- Any building or structure assisted under that program shall be operated for the purpose specified in the plan:

1. For at least 10 years in the case of assistance involving new construction, substantial rehabilitation, or acquisition of a facility,
2. For at least 3 years in the case of assistance involving non-substantial rehabilitation or repair of a building or structure.

ESG Certifications

I, _____, Chief Executive Officer of **Error! Not a valid link.**, certify that the local government will ensure the provision of the matching supplemental funds required by the regulation at 24 *CFR* 576.51. I have attached to this certification a description of the sources and amounts of such supplemental funds.

I further certify that the local government will comply with:

1. The requirements of 24 *CFR* 576.53 concerning the continued use of buildings for which Emergency Shelter Grants are used for rehabilitation or conversion of buildings for use as emergency shelters for the homeless; or when funds are used solely for operating costs or essential services.
2. The building standards requirement of 24 *CFR* 576.55.
3. The requirements of 24 *CFR* 576.56, concerning assurances on services and other assistance to the homeless.
4. The requirements of 24 *CFR* 576.57, other appropriate provisions of 24 *CFR* Part 576, and other applicable federal laws concerning nondiscrimination and equal opportunity.
5. The requirements of 24 *CFR* 576.59(b) concerning the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.
6. The requirement of 24 *CFR* 576.59 concerning minimizing the displacement of persons as a result of a project assisted with these funds.
7. The requirements of 24 *CFR* Part 24 concerning the Drug Free Workplace Act of 1988.
8. The requirements of 24 *CFR* 576.56(a) and 576.65(b) that grantees develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted with ESG funds and that the address or location of any family violence shelter project will not be made public, except with written authorization of the person or persons responsible for the operation of such shelter.
9. The requirement that recipients involve themselves, to the maximum extent practicable and where appropriate, homeless individuals and families in policymaking, renovating, maintaining, and operating facilities assisted under the ESG program, and in providing services for occupants of these facilities as provided by 24 *CFR* 76.56.
10. The requirements of 24 *CFR* 576.57(e) dealing with the provisions of, and regulations and procedures applicable with respect to the environmental review responsibilities under the National Environmental Policy Act of 1969 and related

authorities as specified in 24 *CFR* Part 58.

11. The requirements of 24 *CFR* 576.21(a)(4) providing that the funding of homeless prevention activities for families that have received eviction notices or notices of termination of utility services will meet the requirements that: (A) the inability of the family to make the required payments must be the result of a sudden reduction in income; (B) the assistance must be necessary to avoid eviction of the family or termination of the services to the family; (C) there must be a reasonable prospect that the family will be able to resume payments within a reasonable period of time; and (D) the assistance must not supplant funding for preexisting homeless prevention activities from any other source.
12. The new requirement of the McKinney-Vento Act (42 *USC* 11362) to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. I further understand that state and local governments are primarily responsible for the care of these individuals, and that ESG funds are not to be used to assist such persons in place of state and local resources.
13. HUD's standards for participation in a local Homeless Management Information System (HMIS) and the collection and reporting of client-level information.

I further certify that the submission of a completed and approved Consolidated Plan with its certifications, which act as the application for an Emergency Shelter Grant, is authorized under state and/or local law, and that the local government possesses legal authority to carry out grant activities in accordance with the applicable laws and regulations of the U. S. Department of Housing and Urban Development.

APPENDIX TO CERTIFICATIONS

Instructions Concerning Lobbying and Drug-Free Workplace Requirements

Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
6. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant: Place of Performance (Street address, city, county, state, zip code) Check if there are workplaces on file that are not identified here. The certification with regard to the drug-free workplace is required by 24 CFR part 21.

Place Name	Street	City	County	State	Zip

7. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules: "Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15); "Conviction" means a finding of guilt (including a plea of *nolo contendere*) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes; "Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any

Jurisdiction

controlled substance; "Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including:

- a. All "direct charge" employees;
- b. all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and
- c. temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Note that by signing these certifications, certain documents must be completed, in use, and on file for verification. These documents include:

1. Analysis of Impediments to Fair Housing
2. Citizen Participation Plan
3. Anti-displacement and Relocation Plan
